

WAX RECOMMENDATION

EVENT: BOGUS BASIN CHALLENGE #1

Technique: Free (Skate)

Distance: 1km, 3km, 5km and 10km

Frontier Point Lodge, Bogus Basin, Boise, ID

Saturday, December 23rd

Mass Start - 10am

Forecast:

Friday Night: Partly cloudy. North wind 10 mph. Low 19.

Saturday: Mostly cloudy. Slight chance of snow. Probability of measurable precipitation 20 percent.

Southeast wind 22 gusting to 33 mph. High 30.

Snow: Old snow will be mixed with minimal new snow. Expect snow to be windblown and dry.

Ski Selection: *medium flex ski. If Bogus does not get the 4" of snow forecasted for Thursday night, use rock skis if you have them!*

Base Prep: *Clean skis with Swix CH7 or CH8. Scrape and moderately brush using Course Bronze Brush (T0158) or Steel brush (T0163). This is very important to OPEN UP the base to receive wax. Apply Swix MB77 to harden the base. Scrape and brush with Fine Steel Brush (T0197) or Medium Course (T162).*

GLIDE WAX

Race Wax: *Apply LF6. Scrape and brush with Swix Fine Steel Brush (T0197) or Medium Course (T162). Finish brushing with a Swix Blue Nylon (T0160)*

Structure: *Swix Super Riller T401 .25mm linear rill. Apply rill after you have finished scraping and brushing.*

KICK WAX

N/A

If you only have a few of the SWIX products recommended put out a last minute list for Santa.

If you have been bad, just buy everything for yourself ☺

Fast Skis are the ultimate gift!

For detailed application instructions check out the Swix School of Waxing at
