

Nordic Wax & Finite Structure Clinic

Date: Thursday, February 9th

Time: 6:30pm

Location: World Cycle & XC Ski, - 1407 W. State Street - Boise

Presented by: Eric Jensen of Finite Ski Tools.

Finite Ski Tools have been successful on the World Cup, World Championships and Olympics. All Finite Ski Tools are designed, tested and manufactured in Boise, Idaho.

Clinic will focus on the basics to advanced levels wax selection and application, as well as indepth knowledge of selection and application of base structure. The goal is to simplify misconceptions and help you learn to create faster skis.
